

Dear St. Anthony Community:

Governor Evers extended the closure of all public and private K-12 schools indefinitely. St. Anthony School is committed to staying connected with you and your child during this uncertain time. We will continue to share information with you as updates are available.

Continuity of education is critical for our students throughout the school closure. While we understand that there are limitations to the instruction that we can provide for our students during an extended time period, there are many resources that we can make available for our students to keep them engaged and up to date in their learning. Please continue to check our school website, Class Dojo (preschool-8th grade) or Google Classroom (9th-12th grade) for important updates.

All school events (parent teacher conferences, concerts, athletics, etc.) are postponed until further notice.

This is an unprecedented situation and we are proud of the way our school community has come together to continue our mission to prepare students for post-secondary education. Thank you for your understanding and support.

God bless you.

Rev. Hugo Londoño Gallego, Pastor  
Dr. Rosana Mateo, President
