

Dear St. Anthony School Community,

After careful consideration and Governor Tony Evers' announcement, St. Anthony School (K-12) has made the decision to close school beginning Monday, March 16 through Friday, April 3. The daycare/preschool will remain open until further notice. We will continue to monitor this situation and expect to return to school Monday, April 6. This decision has been made in the best interest of our students and staff to ensure the safety and well-being of our school community.

St. Anthony School will be open on Monday, March 16, to allow families to collect necessary belongings, including student medications and learning devices/packets from 12pm-4pm. St. Anthony School is committed to continue student learning throughout the closing of our school. Students in grades K4-5 will be given packets that are aligned with grade level standards. The students will return assigned work when school is back in session. At the middle school and high school campuses, students will use chromebooks to continue learning through Google Classroom. On Monday, March 16, parents will pick up the devices/packets in the following designated areas:

- Lower Elementary and Upper Elementary Campus: Homerooms
- Middle School: Cafeteria
- High School: Gym

Below is information regarding free meals beginning Monday, March 16, between 11:00 am – 1:00 pm, Monday – Friday. Here are the sites:
