

ST. ANTHONY SCHOOL

SHOULD I GO TO SCHOOL?

Have you tested
POSITIVE for covid-19?

NO,
I have not.

Have you been in contact
with someone who has
tested **POSITIVE** for covid-19?

NO,
I have not.

- Do you have
Covid-19 symptoms?
- Headache
 - Temperature of 100.4 or greater
 - Body Ache
 - Nausea/Vomit/Diarrhea
 - Runny Nose/Congestion
 - Sore Throat
 - Cough
 - Difficulty Breathing
 - Loss of taste/Smell
 - Fatigue

YES, I have.

Stay at home and isolate for 10 days after symptoms started or from date of positive test. You must be fever free for 24 hours without the use of fever reducing medication before returning to school .
A negative test is not required to return to school.

YES, I have.

Were you within 6 feet of a positive case for 15 minutes?

Yes, I was.

Stay at home for 14 days after the last exposure to the positive case of Covid-19 and monitor for symptoms. If symptoms develop, please contact your healthcare provider.
If no symptoms, may return to school after 14 days.
A negative test is not required to return to school.

No, I was not, but there was a confirmed positive case in my class.

Return to school but monitor for signs and symptoms up to 14 days. If symptoms develop quarantine at least 14 days from the onset of symptoms AND until fever free for 24 hours without the use of fever reducing medication.

YES, I do.

Stay at home, monitor your symptoms, and contact your healthcare provider for evaluation and need for possible Covid testing. You may return to school with a note from your doctor or negative covid test or you may keep your child home for 10 days after symptoms started.
